

UNITED ARAB EMIRATES
MINISTRY OF HUMAN RESOURCES
& EMIRATISATION

OCCUPATIONAL HEALTH AND SAFETY POLICIES

The Ministry of Labour is committed to providing a safe and healthy environment for all employees and customers through the adoption of the best practices and proceed with further improvement and development, in addition to investing and managing resources efficiently and effectively with accordance to the Occupational Health and Safety Department compatible with the requirements of the (OHSAS 2007 :18001) standards

The Ministry is also committed to the following:

- Laws and legislations on the occupational health and safety system in the United Arab Emirates.
- Risk control and take preventive measures to avoid accidents, occupational diseases and injuries or reduce them to the minimum.
- Identify occupational health and safety system goals and continuously measure them to ensure proper implementation according to the Ministry's strategic objectives.
- Provide the necessary work instructions, training and awareness programs in accordance with appropriate occupational health and safety system requirements.
- Promote and publish the occupational health and safety culture amongst all groups related to the ministry.
- Coordination, communication and participation with all relevant groups according to requirements of the Occupational Health and Safety system.
- The ministry is keen to disseminate occupational health and safety policies and guidelines to all employees and customers to ensure their protection and wellbeing.

Minister of Labour
