Ministry's Applicable Regulations:	The regulations and laws already applied by the Ministry to the category of support service workers. They include

the laws, regulations, decisions and circulars valid on the effective date of this Decree and those that may be issued in future, whether they are originally issued for this specific category or for another category of workers registered with the Ministry but whose provisions are applied to this category of workers or **Tasheel** centers, being establishments registered with the Ministry.

Article 2

- a– The guides provided for in Article 1 hereof, as well as service fees, shall be issued by the Undersecretary. These guides may include provisions additional to those included herein. To grant a preliminary approval, the applicant must receive a complete copy of these guides and sign a receipt thereof and an undertaking to strictly observe them and any amendments that may be made to them. The Ministry shall keep **Tasheel** centers of any amendments thereon. These guides shall be an integral part hereof.
- b– **Tasheel** centers shall be classified under Category (1), according to the applicable establishment classification decree, provided Emiratisation percentages provided for in item (a) of this Article are met.

Article 3

None of **Tasheel** center activities may be conducted without a license issued by the Ministry.

Article 4

The following requirements must be met by any applicant for an approval of Tasheel center license:

- 1- The natural person must be Emirati, has completed 21 years, having full capacity and with good reputation and behavior. If the applicant is a legal person, then it must bear the UAE nationality.
- 2- Every partner in the legal persons must be of good reputation and behavior.
- 3- The license applicant (whether owner or partner) may not be a Ministry employee in relevant operational sectors, or one of their first-class relatives, including husbands and wives.
- 4- The applicant must submit a feasibility study prepared by an approved office in the state, in the cases and according to the standards required by the Ministry.
- 5- The applicant may not be the owner of or a partner in an establishment meeting one of the requirements of establishment suspension provided for in the Ministry's applicable regulations.
- 6- The applicant must submit an undertaking, according to the undertaking form approved by the Ministry, that he agrees and shall observe the contents of the Guides provided for in Article 2 hereof.
- 7- The applicant must provide any financial guarantees or securities required by the Ministry for such license according to the controls, requirements and procedures set out in the Guides issued by it.
- The Ministry **may** disapprove the issuance of the required license in any of the following cases:
 - a- If the applicant was already granted a license that was terminated for any reason.
 - b- If it is established that the applicant has repeatedly violated the Ministry's applicable regulations.

- c- If the Ministry finds that granting the license may adversely affect the conduction of this activity or the provision of this service to customers by already established centers.

Article 5

By way of exception from the provisions hereof, and subject to the controls and conditions issued by the undersecretary, the power to provide some of Tasheel System services may be vested on certain establishments not satisfying some of service centers' conditions and criteria provided for herein, to cover remote geographies where it is difficult to find investors to open these centers.

Article 6

The applicant shall be granted the licensing approval by a decision from the Minister to complete the works according to the operating guides, within the time frame set out by the competent authorities in the Ministry. The operating approval shall be granted by the undersecretary based on a report raised by the competent authorities in the Ministry to the effect that the center has met all the requirements set by the Guides for operation, including the provision of the required securities or guarantees.

Article 7

The licensee may not assign or sublet his license to third parties or change the partnership structure through addition or deletion without the Ministry's written approval.

Article 8

- a) The licensee shall appoint an Emirati national approved by the competent authorities in the Ministry, to be the manager of the center, provided this

manager shall have full legal capacity, be of good reputation and behavior and appropriately qualified.

- b) The center's owner or partner may be its manager, according to the controls set by the Ministry, if the said person meets the requirements for such position.

Article 9

The center may open branches in the same Emirate where it is licensed, or in any other Emirate, after having a new license from the Ministry. The center may provide its services to customers state-wide.

Article 9

Without prejudice to any harsher penalties applicable to Tasheel service centers that may be provided for in other regulations, the center's license may be cancelled, by a decision from the Minister based on a recommendation from the undersecretary, if it is established to the competent authorities in the Ministry that any of the following conditions is satisfied:

- a- If any of the documents or information provided for licensing purposes is found untrue.
- b- If the center violates any of the provisions of this Decree or the guides issued by the Ministry in this regard.
- c- If the center stops meeting any of the requirements upon the satisfaction of which the license was issued.
- d- If the center commits any of the gross violations set out in the Operating Guide.

Article 11

If the center's license is cancelled, the following actions must be taken:

- a- The center must be advised of the cancellation decision using the Ministry's applicable notification methods, stating the reasons behind the decision.
- b- All fines due on the center up to the date of cancellation must be collected.
- c- All economic activity licensing authorities in local governments (economic departments and municipalities) and departments of residency and foreigners affairs must be advised to take their actions according to the suspension or cancellation decision, including the cancellation of any licenses, permits or authorizations issued to the center.
- d- Owners of cancelled centers must be obliged to settle the dues of their workers during the period determined by the Ministry.

All this shall be without prejudice to any other harsher measures that may be applicable by the Ministry against any violating establishments.

This Decree shall be published in the Official Gazette and become effective as of the day following to the date of its publication.

Article 12

The center shall maintain the strict confidentiality of all the data and information that comes to its knowledge in the course of performing its duties. These data and information may be used, disseminated or supplied to other parties only with the prior written consent of the Ministry.

Article 13

This Decree shall be published in the Official Gazette and shall become effective as of the date of its issuance and DECREE NO. 843 of 2014 regarding the licensing of Tasheel Service Centers shall be cancelled to the extent the provisions thereof are in conflict with or in violation of the provisions of this Decree.
